

EASTERN ACADEMY of MANAGEMENT

CALL FOR REVIEWERS

The Eastern Academy of Management (EAM) and its Track Chairs are recruiting reviewers for EAM 2020 Annual Meeting. Please recognize that, in an effort to be true to our organizational vision of being "Where Scholarship and Collegiality Meet," it is customary for at least one author from each submitted paper to register as a reviewer. If you plan to submit your work for review, EAM strongly urges you to sign up as a volunteer reviewer for the Track that you submit to and/or whose domains you are knowledgeable in.

Benefits of Reviewing for EAM 2020 Annual Meeting

- Reviewers gain visibility for themselves and their institutions.
- Reviewing gives you an opportunity to be pro-active in the EAM's program planning process.
- Reviewing is a way to give back to your professional community.
- Reviewing is a way to learn about what constitutes excellent and interesting work.

To sign up as a reviewer, please visit www.eaom.org/EAM2020. During the signup process you will be asked to select up to two (2) tracks that you feel qualified to review for. Please note that you may be asked to review up to three (3) submissions for each division or interest group you select.

As a reviewer, you will be required to complete your review assignments between December 10, 2019 and January 15, 2020, so please plan your time accordingly. EAM, its Track Chairs and Committees thank you in advance for the service you are willing to offer as a reviewer.
